Why do I feel like I'm losing you  
Will it ever become what I've always wanted it to  
You tell me I'm the lucky one, how can you say that  
When it breaks my heart to see another woman with  
you  
Chorus:  
Oh lover of mine, oh lover of mine  
When it hurts so bad, I wanna hold you in my arms  
Make me feel like you wanna be a lover of mine  
After we've said all there is to say  
Am I still in your heart or am I just in your way  
My desire for you is running wild, jealousy, dangerous  
kind  
When I see you looking at another woman that way  
chorus  
Please set me free or give me a reason for trying to  
keep it alive  
There is no need for us to be lonely  
Give me some kind of hope, I'm walking a fine line  
chorus  
Make me feel like you wanna be a lover of mine  
Make me feel like you wanna be a lover of mine
