He was Johnny on the spot, he was red hot, walked slow  
and smoked a lot  
She was a Jukebox Junkie, hand on one hip, great big  
eyes and bright red lips  
I said hey, yeah-hey-hey

They eased on out to the centre of the floor  
They started dancing like never before  
She's spinnin' like crazy, crashing into the crowd  
On top of two tables, screaming right out loud

Chorus:

I wanna rock this joint (rock this joint), I wanna take this  
town  
'Cos I light up when the sun goes down  
I wanna rock this joint (rock this joint), I wanna shake  
this place  
'Cos I wanna die with a smile on my face  
I said hey, yeah-hey-hey, I said hey, yeah-hey-hey

The whole damn place spilled into the street  
Climbing on cars, high on this heat  
Up on the roof, Johnny jived with his date  
Cops come by, it was far too late  
I said hey, a-hey

When Johnny came to, his head was a mess  
Woke up, dreamin' 'bout a skin-tight dress  
He found a message at the end of his bed  
But the words he can't get right out of his head

chorus

(Solo)

I wanna rock this joint (rock this joint)  
I wanna take this town (take this town)  
I wanna rock this joint (rock this joint)  
I wanna shake this place (shake this place)  
'Cos I light up when the sun goes down  
'Cos I wanna die with a smile on my face

I said hey, hey-hey-hey, I said hey, hey-hey-hey

Hey, hey-hey-hey, hey, hey-hey-hey, hey, hey-hey-hey,  
hey, hey-hey-hey, hey
