oh oh..

oooh oooh oooh oooh yeah

(wake up, wake up)

(wake up, wake up)

(wake up, wake up)

wake up with no make up  
your hair's all messed up  
you feel so unpretty  
sweat pants and a t-shirt  
you're not dressed up  
but still i see your beauty  
and you're feeling unconfident  
but i see something different  
you're my (?)  
that's what makes you so perfect  
and i just want you to know that

i ain't with you just cos you're fine  
i don't love you just because you're hot  
girl you gotta know  
i'm in love with everything you got  
even when you think that i might not  
(hey) i ain't with you just cos you're fine  
i don't love you just because you're hot  
girl you gotta know  
i'm in love with everything you've got  
even when you think that i might not

so when you feel unglamorous  
(you're pretty, you're sexy)  
when you feel unsure, insecure  
still you're beautiful  
baby when you feel unglamorous  
(you're pretty, you're sexy)  
with no perfume, no make up  
i love when you're unglamorous

ooooh..

there's so many things that i like about ya  
(like what) your smile, your touch, your mind, your love  
ooooh..

there's nothing i can see that i'll change about ya  
you're just right from your head to your toes  
(?) your clothes  
if you wasn't sure

i ain't with you just cos you're fine  
i don't love you just because you're hot  
girl you gotta know  
i'm in love with everything you got  
even when you think that i might not  
(hey) i ain't with you just cos you're fine  
i don't love you just because you're hot  
(girl you gotta know)  
i'm in love with everything you've got  
even when you think that i might not (girl)

so when you feel unglamorous  
(you're pretty, you're sexy)  
when you feel unsure, insecure  
still you're beautiful  
baby when you feel unglamorous  
(you're pretty, you're sexy)  
with no perfume, no make up  
i love when you're unglamorous

rollers in your hair, flip flops on your feet  
beauty never lasts so it's alright with me  
even when you cry your tears are so pretty  
you're everything i could ever need

so when you feel unglamorous  
(you're pretty, you're sexy)  
when you feel unsure, insecure  
still you're beautiful  
baby when you feel unglamorous  
(you're pretty, you're sexy)  
with no perfume, no make up  
i love when you're unglamorous

so when you feel unglamorous  
(you're pretty, you're sexy)  
when you feel unsure, insecure  
still you're beautiful  
baby when you feel unglamorous  
(you're pretty, you're sexy)  
with no perfume, no make up  
i love when you're unglamorous

so when you feel unglamorous  
when you feel insecure  
girl you're still you're beautiful (yeah yeah)

baby when you feel unglamorous  
girl you're still beautiful (whoa whoa)  
when you're unglamorous
