Looks kinda sexy let me see that ass
damn so tight let me see those breasts

club is hot now let me see that thong
no bodys lookin' so none can get wrong

clubs on fire yeah pussy know rules (haha)
just remember honey who buys the jewels
who gets the money who brakes thos rules
i dont dance baby i dont even try
lean back style i always look fly
drink and stare from the corner of the club
southern playa honey the names flip thug
