My Life With The Thrill Kill Kult
And This Is What The Devil Does
And this is what the devil does
And this is what the devil does
And this is what the devil does
And this is what the devil does
And this is what the devil does
And this is what the devil does
And this is what the devil does
You liars...repent
And this is what the devil does
And this is what the devil does
And this is what the devil does
You liars...repent
Our lord and master
Our lord and master
You know I must be crazy
To show this as my way of living
I find that it's easy
Cutting up the pieces
Get outta here
Our lord and master
Get outta here
Our lord and master
This man say
I have needed
To mend my unholy life
I fall to my knees praying
I find it hard and easy
Get outta here
Get outta here
Get outta here
Get outta here
My life with the Thrill Kill Kult
My life with the Thrill Kill Kult
My life with the Thrill Kill Kult
My life with the Thrill Kill Kult

What are you trying to do, drive me crazy
And this is what the devil does
And this is what the devil does
And this is what the devil does
I can't be anything except what I am
And this is what the devil does
And this is what the devil does
And this is what the devil does
You liars...repent
And this is what the devil does
And this is what the devil does
And this is what the devil does
How I hate black
And this is what the devil does
And this is what the devil does
And this is what the devil does
What are you trying to do, drive me crazy
And this is what the devil does
(My life with the Thrill Kill Kult)
