They used you for their toy  
They used you for the joy  
They bruised you,  
What did you do?  
Time to move on away from a clutch of fear  
It's over here!

She's lickin' up the liquor and kickin' up the  
heat  
The smoke is gettin' thicker like the rhythm of the  
street

She's got the boom, got the bang  
Like Bettie La Roux  
She's got the boom, got the bang  
Like Bettie La Roux  
She's got the boom, got the bang  
Like Bettie La Roux  
Swingin' for a stinger  
Yeah, you know who!

She's got the boom, got the bang  
Like Bettie La Roux

Gettin' busy in Mississippi

Time to move on away from a clutch of fear  
It's over here!

She's lickin' up the liquor and kickin' up the  
heat  
The smoke is getting thicker like the rhythm of the  
street

Let's turn the red lights on  
Party all night long  
She's lickin' up the liquor and kickin' up the  
heat  
The smoke is getting thicker like the rhythm of the  
street  
Gettin' busy in Mississippi  
(Gettin' busy, gettin' busy in the city)

Plastic beauty with very large dreamsâ€¦  
(Gettinâ€™ busy, gettinâ€™ busy in the city)
