Black magic panther always gets what she?s after
She?s the blonde with lobotomy eyes
Look at all you?ve got with your pretty candy kisses
She?s the blonde with lobotomy eyes

Just a whore in paradise
Just a whore in paradise

She?s the blonde with lobotomy eyes
She?s the blonde with lobotomy eyes
She?s the blonde with lobotomy eyes
She?s the blonde with lobotomy eyes

Push it to the limit, baby, downtown girl
She?s the blonde with lobotomy eyes
Too much information?s penetrating her world
She?s the blonde with lobotomy eyes

Just a whore in paradise
Just a whore in paradise

She?s the blonde with lobotomy eyes
She?s the blonde with lobotomy eyes
She?s the blonde with lobotomy eyes
She?s the blonde with lobotomy eyes

Black magic panther always gets what she?s after
Look at all you?ve got with your pretty candy kisses

Push it to the limit, baby, downtown girl
Push it to the limit, baby, downtown girl
Push it to the limit, push it, push it to the limit

She?s the blonde with lobotomy eyes
She?s the blonde with lobotomy eyes
She?s the blonde with lobotomy eyes
She?s the blonde with lobotomy eyes
She?s the blonde with lobotomy eyes
