Chemical cop out
I scored this afternoon
Wow!
Chemical cop out

Restless is the hunger
In the 7th house on the solar strip
Crystal twilight turn me on
With psychedelic super kick

Chemical cop out
Lives inside a neon lie
Where hi-fi liquid motion
Paints a paisley sky

Silent are the sirens
That bleed the soul through tainted veins
Shattered on a jagged edge
Breathe the echoes bound in chains

Chemical cop out
Lives inside a neon lie
Where hi-fi liquid motion
Paints a paisley sky

Chemical cop out
Just a chemical cop out, boss man
Yeah, chemical cop out
Just a chemical cop out

Silent are the sirens
That bleed the soul through tainted veins
Tranquilizer flower junkie
Lust the nectar laced in pain

Chemical cop out
Lives inside a neon lie
Where hi-fi liquid motion
Paints a paisley sky

Chemical cop out
Just a chemical cop out, boss man

Yeah, chemical cop out
Just a chemical cop out
