China de Sade, China lust
Super highway living
China de Sade, China lust
I need the flesh you're giving

China de Sade, China lust
Super highway living
China de Sade, China lust
I need the flesh you're giving

Play to the hands of the psykotic fool
China so cool
Deceiving and cold in her nocturnal mood
China grooves

Breed if you will your criminal style
China wild
Possess and undress let him die by the rule
Yeah China, you're cruel

China de Sade, China lust
Super highway living
China de Sade, China lust
I need the flesh you're giving

Bleed if you will you're victim of trust
China lust
Bitch Goddess bite blonde velvet dust
China lust

Breed if you will your criminal style
China wild
Possess and undress let him die by the rule
Yeah China, you're cruel

Eyes full of wild, China de Sade
Super highway living
Eyes full of wild, China lust
I need the flesh you're giving

Eyes full of wild, China de Sade
Eyes full of wild, China de Sade

China de Sade
China de Sade
