My Life With The Thrill Kill Kult  
A Daisy Chain 4 Satan  
Here where I sit alone lost  
Here I will dream, why  
Give me a drink, I need a think now  
I have to rip my stinking brain  
(previous line also rumored to be:  
"I got rid of my speaking words")  
Black boots, highway broads  
Dope forever, forever loaded  
Black boots  
(Flowers and Acid... I love flowers)  
[note: rumors abound that the ethnic woman's singing  
says something... I  
doubt this is true... also, there are lots more lyrics to  
the full-length  
version (on Cuz It's Hot) but these lyrics were not  
included on the lyric  
sheet]
