Where are you?
Oh my dear Debbie,
Don't you know me?
I am your little P.
Yeah...

I dance alone,
You just stand near Jerry,
Never give me fantasy,
Oh my darling Debbie.

Oh my Debbie,
Can you imagine if one day I disappear,
And will you cry for me?
Will you miss me?
Oh my Debbie, you make me crazy.
If you still talk with Jerry,
I could not sleep, how could I sleep?
Na...

Oh my Debbie,
Jerry laughed at me,
He said that I was in a dream.
Do you think it's a dream to me?
Oh my dear Debbie.

I have a dream,
Holding hands with Debbie,
Kissing her lips,
Touching her skin.
Where are you?
