I saw Miss Hate assisting a suicide
In fate colored glasses
She thirsts for beauty, her teeth to the wind
I ran for my life, Lilith my sweet

Come and take me electrical soul wish
Hold me in your arms
A place beyond shame is where we belong
Electrical soul wish, electrical soul wish

You expect nothing from me, Mecca for all
Saying Mecca for all
Slay it with flowers of cruel destiny
Yearning for the last temptation

Electrical soul wish, electrical soul wish

Come and take me electrical soul wish
Hold me in your arms
A place beyond shame is where we belong
Electrical soul wish, electrical soul wish

Take me in your arms
Electrical soul wish, electrical soul wish
Take me in your arms
Electrical soul wish, electrical soul wish

Electrical soul wish, electrical soul wish
Electrical soul wish

I saw Miss Hate assisting a suicide
In fate colored glasses
She thirsts for beauty, her teeth to the wind
I ran for my life, Lilith my sweet

Come and take me electrical soul wish
Hold me in your arms
A place beyond shame is where we belong
Electrical soul wish, electrical soul wish

Saying Mecca for all
Saying Mecca for all

Take me in your arms
Electrical soul wish, electrical soul wish

Lilith my sweet come and take me
Electrical soul wish, electrical soul wish
