Feel the bite, feel the bite  
Feel the bite, feel the bite

I'm leading the way  
To an escape  
I'm casting a stare  
Straight for your eyes

A space locked inside  
Out of sight, out of sight

I'm the one with the claws  
Gotta way with the law  
I'll fade you away  
Full of despise

A space locked inside  
Out of sight, out of sight  
A space locked inside  
Out of my mind, out of my mind

I'm leading the way  
To an escape  
I'm casting a stare  
Straight for your eyes

A space locked inside  
Out of sight, out of sight

I'm buried in black  
Swinging in a sea of indifference  
I'm buried in black  
Swinging in a sea of indifference

I'm buried in black  
Swinging in a sea of indifference  
I'm buried in black  
Swinging in a sea of indifference

I'm buried in black  
Swinging in a sea of indifference  
I'm buried in black

Swinging in a sea of indifference
