And tonight in Los Angeles, California
Thousands of teenagers will drive up and down
Hollywood boulevard
Endlessly searching for Sex

C-c-come on baby

C-c-come on baby

Welcome to the temple, welcome to the temple
Welcome to the temple of the expanded mind

Is there anyone out there who believes?
I believe

Up and down, up and down, up and down
Endlessly searching
Up and down, up and down, up and down
Endlessly searching
Up and down, up and down, up and down
Endlessly searching
Up and down, up and down, up and down
Endlessly searching for sex

And tonight in Los Angeles, California
Thousands of teenagers will drive up and down
Hollywood boulevard
Endlessly searching and endlessly searching
And endlessly searching for Sex

He's the one, he's the only one
He's the one, he's the only one
He's the one, he's the only one
He's the one, he's the only one

Oh, look what you did
And you did it on purpose
And you did it on purpose

My master and my God, I want no other
