On Monday, I don't wanna go to school I just wanna stay with you, all I want is you On Tuesday, I don't wanna go to school I just wanna sing with you, sing your songs with you

When I listen to your songs, I feel extremely happy You will be loving me I know you just can't leave me, you just can't leave me. On Sunday, you're no longer in my heart, may be I got old enough

Yeah yeah yeah yeah Gigi Leung is dead Gigi Leung is dead Gigi Leung is dead Gigi Leung is dead
