In the jungle of love
In the jungle of love
In the jungle of love
In the jungle of love

The timeless seduction
Her beautiful thrill
Where are ya now?
Draped in the shadows P
erched ready to kill
Where are ya now?

In the jungle of love
Can the kitten tame the tiger
In the jungle of love
Can she keep it all together
In the jungle of love
In the jungle of love
In the jungle of love
(In the jungle of love)
In the jungle of love
Can the kitten tame the tiger
In the jungle of love
Can she keep it all together
In the jungle of love
In the jungle of love
In the jungle of love
â€˜Cause her drink has been drugged

Her tears fall like rain
Like blood on a spoon
Where are you now
Her power is deadly
Her love is so cruel
Where are ya now?

Go girl on the scene
Sweet killing machine
Where are ya now?
Lookin'™ for someone to keep ya goin'™
Lookin'™ for something to keep ya rollin'™

Where will she go
And when will she crash
How does she feel
Put out like the trash
Where will she go
How long can she last
Living so hard
And loving so fast

Can she keep it all together
In the jungle of love
Can she keep it all together
â€˜Cause her drink has been drugged

In the jungle of love
