Watch out, we' re gonna take over TKK' s gonna rev your motor Cut the lines that make you sober Hell no way, the show' s not over We' ve gotta a bomb to set on fire We' ve gotta drug to take us higher We control the medication Turn on your imagination

Tear it up, l' m the master of the mindway Rockin' on the highway Rippin' up the airwaves Give it up, get a groove on man We' re gonna eat you out We' re an American band

Gotta drug to take us higher We' ve gotta a bomb to set on fire

[There's no one here but a lot of crazy people Crazy people, crazy people, crazy people]

Watch out, we' re gonna take over Turn on your imagination
