Hot child, hot rod, hot blood, hot dog
Hot child, hot rod, hot blood

Yeah star baby, yeah star baby
Yeah star baby, take me higher
Yeah star baby, yeah star baby
Yeah star baby, take me higher

Fly me to a place beyond the sun
Love me, ya rock it to the rhythm
I want more than pretty kitty thrill me
And cheap kisses in your little dirty movies

She trips in dreams throuh cirrus skies
She rides the road to paradise
Her hard love heart lies lost in lust
Vicious vixen, Mission Stardust

Yeah star baby, yeah star baby
Yeah star baby, take me higher
Yeah star baby, yeah star baby
Yeah star baby, take me higher

Fly me to a place beyond the sun
Love me, ya rock it to the rhythm
I want more than pretty kitty thrill me
And cheap kisses in your little dirty movies

Stranger than strange is strangelove's hand
Little hunger Venus in Wonderland
Her hard love heart lies lost in lust
Vicious vixen, Mission Stardust

Yeah star baby, yeah star baby
Yeah star baby, take me higher
Yeah star baby, yeah star baby
Yeah star baby, take me higher

Starbaby
(Take me higher, take me higher)
(Higher, higher)
Starbaby

(Take me higher, take me higher)
(Higher, higher)

Glamor is my only weapon

She trips in dreams through cirrus skies
She rides the road to paradise
Her hard love heart lies lost in lust
Vicious vixen, Mission Stardust

Yeah star baby, yeah star baby
Yeah star baby, take me higher
Yeah star baby, yeah star baby
Yeah star baby, take me higher

She's a hungry Venus
(Yeah star baby)
Mission Stardust
She's a vicious vixen
(Yeah star baby)
Mission Stardust
She's a hungry Venus
(Yeah star baby)
Mission Stardust
She's a vicious vixen
(Yeah star baby)
Mission Stardust

Glamor is my only weapon
