Elemental fool babe, give it to me  
I want it now  
Shower me in  
Universal luxury  
Turn me on Mr. Hot, wild and free  
Come on, come on, come on  
Sweet baby mystery

Take it like a man, boy  
Come on baby, come on baby  
I hold the upper hand  
Come on baby, come on baby  
Take it like a man, boy  
Come on baby, come on baby  
Love me for the queen I am

Wicked lover voodoo  
Yeah, yeah, yeah, yeah  
Shower me in  
Universal luxury  
Fall into my arms escape into my spell  
Fall into my arms  
Hard and fast, beautiful  
Hard and fast, beautiful  
Hard and fast, beautiful

Too beautiful to beat  
Too rotten to love  
The hot blood  
The fast stud  
Bounce girl, bounce!

Universal luxury  
Universal luxury  
Universal luxury  
Take it like a man, boy  
Come on baby, come on baby  
I hold the other hand, boy  
Come on baby, come on baby  
Take it like a man, boy  
Come on baby, come on baby  
Love me like the queen I am

Universal luxury  
Universal luxury  
Universal luxury  
Universal luxury  
Ooh boy  
Come on baby, come on baby  
Ooh boy  
Universal luxury

Ooh boy  
Come on baby, come on baby  
Ooh boy  
Universal luxury  
Shower me with Universal luxury  
Shower me with Universal luxury  
Shower me with Universal luxury  
Shower me with Universal luxury
