you are no good to anybody except to keep a fat world
from falling
a scum world without satisfaction
an ill world pregnant with possessions

you are no good to anybody except to keep a fat world
from falling
a scum world without satisfaction
an ill world pregnant with possessions

why wont you just stop living?

theres a rock in your soul
theres a hole in your mind
theres a rock in your soul
theres a hole in your mind
you got an ass full of cash
you got a mind full of trash
youre going nowhere fast
youre the untouchable class

why wont you just stop living?

"dont you know theres nothing more beautiful in this
world...then that thing between your legs"

"were rich were famous were beautiful"
"were rich were famous were beautiful...and mental"

cheap fist
slim dick
dark pyre
rat hole
slime ball
slipping
trash can
free man

why wont you just stop living?
