You don't wanna be my girlfriend, Phoebe  
You just wanna show your beauty  
Oh my Phoebe, can you see that I'm crying?

All the boys think that you are the best  
All the eyes are just looking at your breast  
Oh my Phoebe, you just wanna show your beauty

You don't wanna kiss me  
You just wanna show your beauty  
You don't wanna know me  
You know you're not just a love song to me

You've never sent your photos to me  
Watching your face is an interesting journey  
Oh my Phoebe, I wanna tell you my little story

Can you talk to me when I'm lonely?  
Can we talk not only when you're lonely?  
I know you Phoebe  
I think I tend to know you completely

You don't wanna kiss me  
You just wanna show your beauty  
You don't wanna know me  
You will never send all your love to me

So please don't say "may we meet one day"  
This sentence could not last more than one day  
Cuz you know I'm not the only one be missed by you  
As same as I don't only miss you
