My heart isn't big enough.  
No more  
And I start to wonder what I saw in you  
Cause we've gone too far  
I've forgotten who you are  
Too much  
Enoughs enough  
I'm over you  
My heart isn't big enough  
No more  
And I start to wonder what I saw in you  
Cause we've gone too far  
I've forgotten who you are  
Too Much  
Enoughs enough I'm over you  
And if you ask me what I wanted  
Could I lie with a smile?  
And if you ask me to believe it.  
Maybe I could for awhile.  
And if you ask me what I wanted  
Could I lie with a smile?  
And if you ask me to believe it.

Maybe I could for awhile.  
You go ahead and make believe  
that we could smile and pretend  
but I only want to be happy  
and we have come to the end  
You go ahead and make believe  
that we could smile and pretend  
but I only want to be happy  
and we have come to the end  
My heart isn't big enough.  
No more.  
And I start to wonder what I saw in you.  
Cause we've gone too far.  
I've forgotten who you are  
Too much. Enoughs enough. I'm over you  
My heart isn't big enough.  
No More.  
My heart isnt big enough.  
No more.

My heart isn't big enough  
No more.  
My heart isn't big enough  
No more.
