You're playing with dangerous  
No stranger trust  
Your mind can set you free

You're playing with dangerous  
Won't pay for love  
I got you on your knees

Oh won't forget my name  
I've played my game  
No escape back down

No I'm not the same  
I've made my claim  
Get your feet back on the ground, ground.

Oh won't be the one that got away  
You know it baby

Oh I've got you hooked this time and  
Predator catches it prey

Givin' me, givin' me, givin' me love love  
Givin' me, givin' me love  
You're givin' me, givin' me, givin' me love boy

Give me some love, give me your love.  
Givin' me, givin' me, givin' me love love  
Givin' me, givin' me love

You're givin' me, givin' me, givin' me love boy  
You're givin' me love, give me love.  
You're giving me giving me  
Giving me love boy  
Come give me some love  
Give me your love  
(x2)

If love paid a price I'm sold  
Not giving it up  
They say I'm losing my touch  
Oh oh

You like it or so I'm told  
I'll give you some luck  
Babe if you'll give me some love  
Oh oh

You're giving me giving me  
Giving me love boy  
Come give me some love  
Give me your love
