Get up
Get up
Get up I'll get you now

I'm up
I'm up
I'm up for going out

Get up
Get up
Get up I'll get you down

Come up
Come up
Come up I'm coming round

Now you got me
You wanna start something
No no guarantees
But baby you're coming
With me
(x2)

Give up the chasing
Boy like it or not

I'm gonna get you like a pop shot
Can't stop

You better beat it
Before I get hot

No messing baby
I'm taking it off

Get up
Get up
Get up I'll get you now

I'm up
I'm up
I'm up for going out

Get up
Get up
Get up I'll get you down

Come on
Come on
Come on I'm coming round

Now you got me
You wanna start something
No no guarantees
But baby you're coming
With me
(x2)

Hit the big time back
Baby get your game on
One stop track to go
Bring the beat back
Light the fuse
Don't lose your mind
I'm letting go
(x2)

Now you got me
You wanna start something
No no guarantees
But baby you're coming
With me
(x2)

You got me
You got me
You got me
But baby you're coming
With me
