Walking through the park  
I see broken bottles  
Laying like people  
Littering the ground

Vestiges of romance  
Hidden with distractions  
Swelling like hot air  
Filling up the lungs

I am not to blame for  
Sudden indiscretions  
Iâ€™m losing my focus  
You are always on my mind

I am just a plain girl  
Always unprotected  
You break me in easy  
You break me into two

[Chorus]  
Donâ€™t you see what it means  
Weâ€™re destroying everything  
And I donâ€™t see why  
But I need you to fall asleep at night

Cuz donâ€™t you see what it means  
Weâ€™re destroying everything  
And I donâ€™t see why

See you are like an old house  
Dangerous and worrisome  
Still captivating beauty  
Written in your flaws

I am not to blame for  
Sudden indiscretions  
Iâ€™m losing my focus  
You are always on my mind

[Chorus]
