The winds of change stroke my face  
I hear the faint voice of remembrance  
Still ringing in my ears  
Another day, another year, but no salvation  
Your sweet embrace, your breath on my cheek  
Your reflection in the corner of my eye

I surrender to life's greatest challenge  
Love lost but never forgotten  
I surrender to life's greatest trial  
Love lost but never completely gone

The blood has dried, the pain faded away  
Remembrance, like it was yesterday  
I feel blessed and privileged for every very moment  
I looked into your eyes, our paths crossed

Your legacy will outlast  
Forever branded in my heart  
Forever branded in...

I surrender to life's greatest challenge  
Love lost, but never forgotten  
I surrender to life's greatest trial  
Love lost, but never completely gone

I recall your face every now and then  
Your reflection  
Regrets and gratitude for every moment spent and all  
the chances missed

Love lost  
But never completely gone
