Things are getting better
Going strong
I got a little shelter
I can call my own
Never would have got here
Listening to doubt I conquered my fear
And I found my way out

Oh the pressure
Oh had to make a change
Well I stand my ground
And I set the rules
If anybody questions
Say dues paid in full

Time keeps ticking
Keep moving on
Gotta life conviction
To sing my song
Have you looked in the mirror
Answer true
Do you career your own life
Or does it carry you

Oh the pressure
Oh gotta make a change
Well I stand my ground
And I set the rules
If there's any question I say
Dues paid in full

Time keeps ticking
Keep moving on
Gotta life conviction
To sing my song
When you look in the mirror
Do you answer true
Do you carry your own life
Or does it carry you

Oh the pressure
Gotta make a change

Got to make a change
Well I stand my ground
And I set the rules
If there's any question I say
Dues paid in full
