I don't know how I'll get by
I wish you knew how hard I tried
All you ever wanted was lil bit of my love and trust
Now I don't know what I'm going to do - no I -
Don't know what to do with my heart

Somewhere along the way in time
You found a truer love then mine
Now I see your doing better
But it really doesn't matter
Cause I don't know what I'm going to do - no I -
Don't know what to do w/my heart

I have lost and I have known
All kinds of love so wonderful
And through it all I have found
There's only one true love and you were my miracle

I don't know how I'll survive
I wish you knew how hard I tried
All you ever wanted was lil bit of my love and trust
And - now I don't know what I'm going to do - no I -
Don't know what to do with my heart

I have lost and I have known
All kinds of love so wonderful
And through it all I've found
There's only one true love and you were my miracle

I don't know how I'll survive
I wish you knew how hard I tried
All you ever wanted was lil bit of my love and trust
Now I don't know what I'm going to do - no I -
Don't know what to do with - I - don't know what I'm
going to do - don't know what to do with I - don't know
what I'm going to do - don't know what to do with my
heart...
