If you only knew
If you only knew
How much I love you baby
How much I love you

If you could only feel
If you could only feel
If you could only feel
All the love I have for you baby

Let me tell you
I, I, I, I
I, I, I, I
I really love you
Oh you know I really love you

If you could only see
If you could only see
If you could only see
What I'm trying to tell you

If you could only tell
If you could only tell
If you could tell me
Tell me you love me and mean it baby

You know that
I, I, I, I
I, I, I, I
Oh I really love you
You know I really love you

If you only knew
If you only knew
If you only knew
How much I love you baby

And I, I, I, I,
Oh I, I, I, I
I really love you baby
Oh you know I really love you

Let me testify now
I, I, I, I
I, I, I, I
I love you
Oh you know, you know how I really love you

If you only knew
If you only knew
How much I love you baby
