Tears of pain  
Fall down my face  
Falling like rain  
On a cold empty day

I would consider  
Healing my heart  
But you expect me  
Oh to fall apart

Tears of shame  
Swallow me whole  
Weighing so heavy  
All over my soul

I just can't carry  
The weight anymore  
So I'll on wishing  
I could close that door

I go on  
Carry on  
Our day is over  
It's dead and gone dead and gone dead and gone  
But the sun will rise  
It'll rise again  
That won't stop my  
My tears of pain

Tears of pain  
Sometimes you don't know what to do no  
Tears of pain  
Oh you don't know where to go

All I know is that I love so  
I love you so baby  
Oh baby  
Tell me why  
Tell me why  
Tell me what am I supposed to do  
Tell me why  
Tell me why

Oh you hurt me so bad now baby  
Why did you hurt me so bad now baby  
I don't understand it  
I don't understand it  
Tell me tell me tell me why now baby  
Where am I supposed to go  
What am I supposed to do now baby
