Heart (x13)

Just Stop...
Just Stop...
Just Stop...
Just Stop

This game you're playing
This game you're playing
This game you're playing

Playing with my heart...
Need you tonight

This game you're playing
This game you're playing
This game you're playing

Playing with my heart...
Need you tonight
Ooh just
Stop, this game you're playing

This game you're playing
This game you're playing

Playing with my heart
Need you tonight

Ooh just
playing with my heart (x5)
