She's got the rhythm and I can't forget
She's gonna give in
We're gonna give it two more years
And oh my God
She's got the rhythm
She's got me waking up
Come on, come on
Show me what you got
I swear, we're gonna tear it up
Oh yeah, we can leave it all behind cause
You've got it going on and I've gotta say
She's got the rhythm and I can't forget
She's gonna give in
We're gonna give it two more years
And oh my God
She's got the rhythm
She's got me waking up
I keep your picture by my bedside
I'm sleeping all the time
Just to wake up to you
Just to wake up to you
And I'm in love with you
With everything you do
You can have the best of me
Forget what I want
You're all I need
You've got it going on and I've gotta say
She's got the rhythm and I can't forget
She's gonna give in
We're gonna give it two more years
And oh my God
She's got the rhythm
She's got me waking up
She's got the rhythm and I can't forget
She's gonna give in
We're gonna give it two more years
And oh my God
She's got the rhythm
She's got me waking up
She's got the rhythm and I can't forget
She's gonna give in
We're gonna give it two more years

And oh my God
She's got the rhythm
She's got me waking up
