Don't play that song for me  
'Cuz it brings back memories  
Old days that I once knew  
The days that I spent with you  
Oh no! Don't let them play it  
It fills my heart with pain  
Please stop it right away  
'Cuz I remember just what he said,  
He said, "Darling" and I know that he lied  
You know that you lied, you know that you lied  
Lied, you lied (to me)  
Hey mister don't play it no more. Don't play it no more  
I can't stand it. Don't play it no more  
No more, no more  
I remember on our first date,  
He kissed me and he walked away  
I was only seventeen, I never dreamed he'd be so  
mean  
He told me, "Darling, I love you". Baby, baby, you lied  
You, you lied you know that you lied, lied lied  
Oh darling, you know that you lied, yeah  
You know I know you lied. Darling, you lied  
You lied, you lied. You're all that I need  
You lied. Oh, you lied.  
Hey baby don't play it no more, don't do it  
Don't play it no more, no more  
I can't stand it no more  
OOh hey! Don't play it no more
