Love was always supposed to be  
Something wonderful to me  
To watch it grow inside yourself  
To feel your heart beside itself

Sometimes it hurts to love so bad  
(when you know you've given all you can)  
Sometimes it hurts to even laugh  
(you do your best but it's still much too sad)  
Sometimes the pain is just too much  
And it hurts like hell  
That's the way it feels

True love it has no hiding place  
It's not something you just put away  
It's always there inside of you  
And it shows in everything you do

Sometimes it hurts to love so bad  
(when you know you've given it your best)  
Sometimes it hurts to even laugh  
(you feel a thousand miles from happiness)  
Sometimes the pain is just too much  
And it hurts like hell  
That's the way it feels

Here we are the two of us  
So full of love, so little trust  
But dying for some tenderness  
But too afraid to take the step

Sometimes it hurts to love so bad  
(when you know you've given it your best)  
Sometimes it hurts to even laugh  
(there's nothing funny if it's killing you)  
Sometimes the pain is just too much  
And it hurts like hell  
That's the way it feels

I know if there is any chance  
For us to find our happiness

We've got to learn to let it go  
Forget all the pain we know

Sometimes it hurts to love so bad  
Sometimes it hurts it hurts to even laugh  
And it hurts like hell  
That's the way it feels
