ROCK STEADY

Rock steady, baby, that's what I feel now.
Let's call this song exactly what it is.
Gotta move your hips
with feeling from side to side,
sit yourself in your car
and take a ride.

C'mon, you movin', rock steady, rock steady, baby.
Let's call this song exactly what it is.
It's a funky and lowdown feelin'
in the hips from left to right.
What it is 'cause I might be doin'
this funky dance all night.

PUT YOUR HANDS UP IN THE AIR
GOT A FEELIN' YOU AIN'T GOT A CARE
YOU GOTTA TAKE THIS BURN
THAT TEAR WE ALL INSIDE

Rock steady, rock steady, baby.
Rock steady, rock steady, baby.

Gotta move your hips
with feeling from side to side,
sit yourself in your car
and take a ride.

C'mon, you movin', rock steady, rock steady, baby.
Let's call this song exactly what it is.
It's a funky and lowdown feelin'
in the hips from left to right.
What it is 'cause I might be doin'
this funky dance all night.

PUT YOUR HANDS...

Rock steady, rock steady, baby.
Rock steady, rock steady, baby.

Rock steady, rock steady.

It's a funky and lowdown feelin'
in the hips from left to right.
What it is 'cause I might be doin'
this funky dance all night.

PUT YOUR HANDS...

Rock steady, rock steady, baby.
Rock steady, rock steady, baby.
