Chorus:

You better think (THINK!)
Think about what you're trying to do to me
Think (THINK THINK)
Let your mind go. Let yourself go free

Let's go back let's go back let's o way on back when
I didn't even know you. You couldn't 'o been too much
more than 10
I ain't no psychiatrist I ain't no doctor with degrees
But it don't take too much IQ to see what you're doin' to
me

(Chorus)

Freedom (freedom), Freedom (freedom)

There ain't nothing you could ask I can answer what
you want
But I was gonna change my mind if you keep doin'
things I don't

(Chorus)

People walkin' 'round everyday planning games and
taking scores
Tryin to make other people lose their minds well be
careful you don't lose
yours

(Chorus)

You need me and I need you
Without each other there ain't nothing we can do

(vamp)

Oh Freedom (freedom) Freedom (freedom) . . .

There ain't nothing you could ask I can answer what

you want
But I was gonna change my mind if you keep doin'
things I don't

(Chorus)

You need me and I need you
Without each other there ain't nothing we can do

(vamp)

Freedom . . .
Think ! . . .
