From the bottom of my heart
I love you, what more can I say?
From the bottom of my heart
I need you, you're part of my day

My inspiration is you alone
To call my own, I love you, I love you

From the bottom of my heart
I want you, it's you I adore
Every moment we're apart
I miss you and darling what's more

I'd be on my way to Heaven
If you'd say, "I love you
From the bottom of my heart"

From the bottom of my heart
I want you, it's you I adore
Every moment we're apart
How I miss you and darling what's more

I'd be on my way to Heaven
If you'd say, "I love you
From the bottom of my heart"
