It's about twilight now, out in the stream  
You're lookin' low now in your tight blue jean  
I'm feelin' ready, I'm feelin' lean  
Four years of bright lights can make it seem

Like no one can [Incomprehensible]  
(Yeah, yeah)  
Like no one can [Incomprehensible]  
(Yeah, yeah)

Like no one can [Incomprehensible]  
(Yeah, yeah)  
Like no one can [Incomprehensible]  
(Yeah, yeah)

It's about twilight now, I'm in the field  
You're lookin' low now, I'm runnin' still  
You're a readin' book now, it's gettin'  
Four years of bright lights can make it seem

Like no one can [Incomprehensible]  
(Yeah, yeah)  
Like no one can [Incomprehensible]  
(Yeah, yeah)

Like no one can [Incomprehensible]  
(Yeah, yeah)  
Like no one can [Incomprehensible]  
(Yeah, yeah)

Yeah
