Slowly, you stroll over where I sit,
you strain crystals but now im one within.
Sweetheart, lover, words you use for me,
I yearn to get you forever, to get you into me.

(Ahhhhhhhhhhhhhhhh)

(Ahhhhhhhhhhhhhhhhhhhhhh)

(Ahhhhhhhhhhhhhhhhhhhh-Ahhhhhhhh)

(Ahhhhhhhhhhhhhhhhhhhh-Ahhhhhhhhhhhhhh)
(Ahhhhhhhhhh)

Slowly, I stroll, over where you sit,
it took so long, now im into it.

Sweetheart, lover, I wanted you before,
but when the heart beats next to me I want it even
more.
