You need it  
That's for sure  
You receive, but always want more  
Taken, for granted  
This lifetime and what's up ahead

But the day is coming  
The day is near  
The day is coming  
You know what I mean  
The day is coming  
The way is clear  
The day has come

Bang Bang, on the door  
You open, not knowing what for  
If opportunity, rears it's head  
Will you answer, or stay home in bed?  
Eh babe?

'Cause the day is coming  
The day is near  
The day is coming  
You know what I mean  
The day is coming  
The way is clear  
The day has come, oh!

Eh babe?

'Cause the day is coming  
The day is near  
The day is coming  
You know what I mean  
The day is coming  
The way is clear  
The day has come
