And just get comatose

One night wasn't enough so yo bitch came back for
Another dose

Slamming and it's evident
When I'm in your town, Michelle me down like I'm the

The motherfucking President, President
Bitch I'm out for presidents
Monica me down like I'm the motherfucking President
The President, President, bitch I'm out for presidents
When I'm in your town, Michelle me down like I'm the
President

Said Gangsta Gibbs, we cool with you, but yo, what's up
With your fam?
Once this ho nigga hit the stage, I bet he pissed in
His pants

We leave you comatose, pull that bulldog.44
Straight to his mouth, nigga said what he about
But deep down he really don't want it doe
Cause bitch I set the precedent, murk you with no
Evidence

Monica me down like I'm the motherfucking President
