(Born a fool born a fool born a fool)  
Born a fool I guess I'll die a fool  
For loving you so deeply even though I know I can't  
have you  
Born too late I guess I'll die too late  
Too late to be your first love and you're not the kind to  
be untrue

It's not like (it's not like) day and night (day and night)  
All I do (all I do) is dream of dreams that can't come  
true  
Born a fool I guess I'll die a fool  
For loving you completely even though I know I can't  
have you

(It's not like) no it's not like (day and night) day and  
night  
(All I do) all I do is dream of dreams that can't come  
true  
Born a fool I guess I'll die a fool  
For loving you completely even though I know I can't  
have you  
Born a fool I guess I'll die a fool  
(Born a fool)
