Shitting on niggas, my rap is laxative  
Good killer dope in my bloodstream, that's just how I  
live  
Good killer dope in my bloodstream, that's just how I  
shine  
Before I'd go pounds of kush and powder, that's all I'm  
buying  
Started below motherfucking zero

First check that I got from rap, man, I raised my neck  
and chopped a kilo  
Since then I ain't been back, man, straight transactions  
with my niggas  
Few times your boy fell off  
But I jumped right back on with the quickness  
Freddie with it, Freddie Maclean, yippee ki-yay  
motherfuckers  
I yelled out 'Chichi, get that heron and that yay,  
motherfucker!'  
We down to fuck the world until it's over  
I'm only halfway through my movie, ready to blow with  
Sosa  
Where my toaster? I've got the breakfast for these  
niggas  
Bitches, strudel their noodles  
Snatch their hearts out like a Pop Tart  
You're losing, we're moving through you  
I'm the smoothest nigga doing this from LA to Philly  
I feel like Kobe doing work, I might just tear my Achilles  
If I don't take a load off they gotta get this blow off  
Busta thought I would show up at his door  
Told him knock this door off  
Make you niggas' houses over quarters and ounces  
I copped that Polo selling dolo, never had no allowance  
That's on my mama, my mama know it  
Some months electric, gas and water, we couldn't  
afford it  
I'm soda whipping, Yoda stretching, hot water boiling  
Fuck the police, 'cause if they catch us, straight to the  
toilets  
And all my gangsta niggas know it

Nigga, test me, I'll send some bullets with my reply  
I'm straight for life, all I gotta do is stay black or die  
I'm straight for life, all I gotta do is stay black or die  
I'm straight for life, all I gotta do is stay black or die  
A nigga diss me, I'll send some bullets with my reply  
I'm straight for life, all I gotta do is stay black or die  
I'm straight for life, all I gotta do is stay black or die  
I'm straight for life, all I gotta do is stay black or die

Dropping this pill and lift a couple dope  
Man, just take a breather, rappers is having seizures  
and strokes  
Yeah, that type of shit make niggas sit back and stick  
to the smoke  
Nigga dead before his thirties on overdose, ain't no  
joke  
I ain't one for stacking on my habits  
I brush my teeth with Hennessy, sleep with my  
automatic  
My nigga hit my line, he 'bout to touch down with that  
package  
I know the whole house is funky when they rip the  
package  
Everlasting, headed for hell or the jail cell  
Won't be a monkey for them crackers like I'm LL  
So fuck a Cool J cookie, it's shrimp and lobster tail  
I've got these dykes that'll throw a bike out in  
Lauderdale  
All is well when I bail  
Working that scale through the day and the night  
This V & L that I throw up don't stand for Vampire Life  
So sorry Mr. Jones, this single finger'll get you gone  
Shout out to the Lords, shout out to the folks, word to  
the Stones  
Just don't fuck with a nigga's dossier file  
A real OG, I ain't start banging at 25  
Exotic taste, got exotic bitches and exotic brides  
You just a neutron nigga, you work a 9 to 5, a 9 to 5  
Got my college girl to take a trip  
Now she think she a gangster bitch  
Said I'm the coldest nigga to spit this gangster shit  
since'  
Niggas can't go like Freddie Soprano, that's on the  
mob, G  
Broke me off, these creditors be trapping for loss of  
jobs  
But it's cool, nigga  
Got my own bank, you can't feed me with your spoon,  
nigga  
Get your paper, I'll lick upon this plate of food, nigga

The real realest nigga anyway  
Way back I kept that strap with Lil' Rob in his Infinite  
Told me if I tried this rap, I'd be a legend 'fore I finish  
Gangster G, now what's the motherfucking business?  
Nigga, he told me if I tried this rap, I'd be a legend  
'fore I finish  
Gangster G, now what's the motherfucking business?  
Nigga, we hit 'em up

Nigga, test me, I'll send some bullets with my reply  
I'm straight for life, all I gotta do is stay black or die  
I'm straight for life, all I gotta do is stay black or die  
I'm straight for life, all I gotta do is stay black or die  
A nigga diss me, I'll send some bullets with my reply  
I'm straight for life, all I gotta do is stay black or die  
I'm straight for life, all I gotta do is stay black or die  
I'm straight for life, all I gotta do is stay black or die
