(Love love is the greatest gift of all)
I love everything God created from the largest things
down to the small
But when he gave me you right away I knew love is the
greatest gift of all

Thought I had all that life offer but what I had then now
seem so small
For that feeling that comes from loving love is the
greatest gift of all
[strings]
Love is the greatest gift of all
There is no way to explain it but you know it when you
fall
Because you given a piece of heaven love is the
greatest gift of all
Love is the greatest gift of all
