(Dicky Barrett/Nate Albert)

Police have no suspects yet,  
Both women have been shot twice in the head  
Gang violence in Boston  
No parent has planned that their children would leave  
them on this earth through violence  
Arrrgghhh  
Hey what's the big idea? Why don't you look where  
you're  
Police are on full alert  
357 magnum 9 millimeter handgun A-K 47 and an UZI  
sub machine gun[4x]  
You see it on TV, you know it looks cool  
All these actors going around killing thousands of  
people  
In two or three minutes, it builds up in your head and  
you say,  
"yo I can do that" just stand facing a wall  
Your enemies are all around you  
You can feel the tension, right behind you  
357 magnum 9 millimeter handgun A-K 47 and an UZI  
sub machine gun  
Everybody's trying to take Take!  
Take over my spot, people just trying to take Take!  
Take what I got see if I'm strapped, they can't get to me  
Everybody's afraid of each other  
You make enemies so easily just hangin' on the corner  
Gang violence in Boston[4x] Nathan!  
Chains snatched a couple of times, shoes off your feet  
Feel like you've got to arm yourself to protect yourself  
Chains snatched a couple of times, shoes off your feet  
Feel like you've got to arm yourself to protect yourself  
Help [8x]  
What do you do if someone's packin'?  
What the hell can one man do?  
What do you do if he's crackin'?  
Hope he can't shoot straight?  
357 magnum 9mm handgun A-K 47 and an UZI sub  
machine gun
