Hook:

Floating off with that kush cloud  
Floating off with that kush cloud  
Floating off with that kush cloud  
that kush cloud, that kush cloud  
my kush cloud, my kush cloud  
Floating off with that kush cloud  
Rolling off with that kush cloud  
OG turned up too loud  
that kush cloud, that kush cloud  
Floating off with that kush cloud  
that kush cloud, that kush cloud  
Floating off with that kush cloud  
my kush cloud, my kush cloud  
Floating off with that kush cloud  
rolling off with that kush cloud  
OG turned up too loud, bitch  
Oh murder more murder any time hold my burner  
tell em that I just gotta shit me in  
and if you win to win then I'm serve you  
no more floating off with that kush cloud  
Og turned up too loud  
a nigga busy in to the money you win  
that's why I pay you hate nigga yeah tuned out  
when you shoot that now they all know that shit  
checking to powder how you want that weed  
grinding out, pounding out when I take it to the house I  
ain't want that bitch  
I can take the killers see for my niggas in the bay  
winners and dealers that's what you niggas wanna pay  
..for attic I'm in the ceiling with today  
you're keeping it real your pussy nigga sin the way  
ah that thug love for my niggas chocking smoking but  
bout my dope from the..I fuck because  
cooperate thuggy so while I'm with this thug niggas  
can you pitch her just rap her stash and drug dealer  
[Hook:]  
I think I was never gonna smoke no more  
20 minutes late..yeah I'm gonna smoke no more  
the next thing you know I'm blowing to the whole oh  
..going off purple on my dough oh

I'm a real OG thief choker green leave stoner  
yeah we smoker, wanna kick it with me you'd better get  
weed over  
I got too many problems ain't no need to be sober  
but I ain't really wait no you niggas is..didn't hit it  
'cause you already got me some  
or another nigga I'm holy done  
great jack ..by my moly some  
I hear a little bit of snoop OG kush 'cause I roll up some  
wiz ..  
is icky nicky nigga trust me be real  
'cause I plan it I've been doing on Cyprus ill  
the smokers only, the smokers only only  
don't ask from high look into my eyes you can..that I'm  
stonin  
great..to give nigga that it is  
meat west get ready when I come on..to corner on my  
space ship  
and we take off and get the club  
[Hook:]  
..the bad part the mystic go haze gotta go and amaze  
while she torking and working slow motion  
I am the potion that will dwell inside the magical pot  
that you inhale  
and inside your mind is I seduce your brain  
you gotta get hot till you in town  
if you ain't having with the engine  
playing my music and getting how do it  
is imitating like a brain spell  
real nigga smoking on purple tree  
is all about money we gotta count in three  
and I can ease bitches and getting to the riches  
ain't your bitch love smoking me  
When the beat break down, get lost of the sound  
wanna window down, let the city kush cloud  
by the roudn tot he town  
nigga let the wind blow  
gotta get head and front see slow  
better nigga get a kush smoke
