Let me rant and let me ramble  
You're lookin' at lunatic in shambles  
I've got real issues I must wrestle  
I'm unfit to steer the vessel  
Somebody please take the wheel  
I can't cope now, no I can't deal  
To do so would be too great a gamble  
Let me rant and let me ramble  
Let me be 2x

Let me ramble, let me rant  
I've got shit to get to but I can't  
Get to shit in this condition  
It will pass soon,  
I keep wishing I keep wishing, I keep waiting  
This couldn't be more irritating  
Right now I'm feeling like an ant  
Let me ramble let me rant Let me be 4x

Let me rant and let me ramble  
Let me try and get a handle  
On what's knocked me for a loop  
Time to let the troops regroup  
Recoup, relax, collect my thoughts  
Retrace my tracks, connect the dots  
It will take awhile just to unscramble  
Let me rant and let me ramble 3x  
Let me be 4x

Let me rant and let me ramble  
You're lookin' at a lunatic in shambles  
I've got real issues I must wrestle  
I'm unfit to steer the vessel  
Somebody please take the wheel  
I can't cope now I even can't deal  
To do so would be too great a gamble  
Let me rant and let me ramble ramble ramble ramble  
ramble
