Cause your love takes good care of me  
yes your love takes good care of me  
And when the rains fall the winds blow  
and the storm is on the sea  
I'll be safe for your love takes care of me

When life for me gets weary  
and the sun refuses to shine  
I run to the arms of the one I love  
and there I'll hide  
You know just what to do  
and say you make my life worth while  
And when I look into your face  
I see heaven in your smile  
Cause your love takes good care...  
I'll be safe for your love takes care of me
