Mobbin like a motherfucker, I'm mobbing like a  
motherfucker  
I'm mobbin like a motherfucker, I'm mobbing like my  
motherfucker

Foreign bitch, foreign car, mobbin like a motherfucker  
Got my first ... bought that from my mother brother  
Rapping ... back to black, this thing bring another them  
another...

A millionaire ... she say she can't love a sucker  
Got a stable but I stay dickin yo main chick...  
Bitch you living basic, I know you sick of the same shit  
Lot of these hoes get a taste of this dick, and wanna  
get they names switched  
City tattooed in my fist cause in the niggas I bang with  
And the glove's off in this bitch, got them thugs off in  
shit shit  
Rap all day, but I rob by night, get enough ... 10 bricks  
Hit for the white and a couple of ice and before I hit the  
club  
Dark I get lit  
... bitch wanna get my ... and the whole clip gone y'all to  
get hit

Foreign bitch, foreign car, mobbin like a motherfucker  
Bottom's up, fuck the bar, mobbin like a motherfucker  
Top her hot, hundred shots, mobbin like a  
motherfucker  
Run the block, fuck the cops, mobbin like a  
motherfucker  
Me and my niggas man, we mobbin like a motherfucker  
They gettin bitches cause we mobbin like a  
motherfucker  
Get all the bitches cause we mobbin like a  
motherfucker  
That's how we living cause we mobbin like a  
motherfucker

In that 2012 and it's flyin like a motherfucker  
Got me 10, got me 20's , born like a motherfucker  
That mob shit, I live that mob life, that my mob bitch,

yeah that's my mob life  
I ain't look back since I took the oath  
It was either broke or dead so I took the dough  
Blood in, blood out, the only way is death  
Bitch the weed so good, you can't hold your breath  
It's that heaven for a g, heaven for a g  
What the fuck is going on, it's 30 for a k  
I know some robbing niggas, we robbin like a  
motherfucker  
Me and my niggas, we be mobbin like a motherfucker

Foreign bitch, foreign car, mobbin like a motherfucker  
Bottom's up, fuck the bar, mobbin like a motherfucker  
Top her hot, hundred shots, mobbin like a  
motherfucker  
Run the block, fuck the cops, mobbin like a  
motherfucker

Me and my niggas man, we mobbin like a motherfucker  
They gettin bitches cause we mobbin like a  
motherfucker  
Get all the bitches cause we mobbin like a  
motherfucker  
That's how we living cause we mobbin like a  
motherfucker X 2
