Never lose my wallet it would put me on the spot  
Never lose my sense, at least how much I've got  
Never lose my family, never lose my friends  
Never lose my youth, I hope it never ends  
Hope I never lose my wallet  
And I hope, and only time will tell, I hope I never lose  
my mind  
I will lose my sense or I will not, too far from here or  
where nobody can find  
Never lose my hair, I would hate to go without it  
Never lose direction, hope to roam about  
Never lose my courage, never lose my hope  
Never lose my girl, makin' her to cope  
Hope I never lose my wallet  
And last of all, not least of all, I hope I never lose my  
mind  
I will lose my ..... but not too far from here where  
nobody can find  
Hope I never lose my wallet ...
